of the rule-making process.

Authority for the rule-making: G.S. 106-405.17; S.L. 1999-237, s. 13.6

Statement of the Subject Matter: This Rule requires the testing of horses and other equine for equine infectious anemia (EIA) prior to sale, but allows equine to be sold pending receipt of test results. Proposed change would require equine to be isolated until official negative test is received.

Reason for Proposed Action: Existing rules allow equine to be removed from a livestock market or other place of sale and commingled with other equine before EIA test results are known. The State Veterinarian believes that these equine should be isolated pending test results to prevent possible exposure of other equine.

Comment Procedures: Written comments may be submitted to David S. McLeod, Secretary, North Carolina Board of Agriculture, PO Box 27647, Raleigh, NC 27611.

Citation to Existing Rules Affected by this Rule-Making: 12 NCAC 11 - Other rules may be proposed in the course of the rule-making process.

Authority for the rule-making: G.S. 74D-5(a)(1, 2, 3, 4, & 5), 74D-6

Reason for Proposed Action: Currently the Board does not have written procedures to use when reviewing criminal record checks during the background investigation for a license or registration. The Board and its staff believes that a standardized review process will be beneficial to both the Board and the public.

Notice is hereby given in accordance with G.S. 150B-21.2 that the NC Board of Agriculture intends to amend the rule cited as 2 NCAC 52B .0207. Notice of Rule-making Proceedings was published in the Register on March 15, 2000 and May 1, 2000.

Proposed Effective Date: March 1, 2001

Instructions on How to Demand a Public Hearing (must be requested in writing within 15 days of notice): Any person may request a public hearing on the proposed rule by submitting a request in writing no later than July 18, 2000, to David S. McLeod, Secretary, NC Board of Agriculture, PO Box 27647, Raleigh, NC 27611.

Reason for Proposed Action: Agency staff and swine industry advisory committees recommended the adoption of temporary rules to prevent the re-introduction of pseudorabies, a swine disease, into North Carolina, now that it has been eliminated from North Carolina swine herds. Existing rules do not require the vaccination or testing of feeder swine for the pseudorabies virus (PRV) prior to importation into North Carolina. Since North Carolina has recently achieved PRV-free status, it is now necessary to take additional precautions to prevent the re-introduction of PRV into North Carolina swine herds. These rules were previously adopted as temporary rules to prevent the re-introduction of PRV into North Carolina swine herds. The proposed changes would accomplish this by requiring vaccination, testing and additional restrictions on importation of swine into North Carolina.

Comment Procedures: Written comments may be submitted no later than August 2, 2000, to David S. McLeod, Secretary, NC Board of Agriculture, PO Box 27647, Raleigh, NC 27611.

CHAPTER 9 - STATE HIGHWAY PATROL

SUBCHAPTER 9H - ENFORCEMENT REGULATIONS

SECTION .0300 - WRECKER SERVICE

.0304 IMPARTIAL USE OF SERVICES

In order to perform its traffic safety functions, the Highway Patrol is required to use wrecker services to tow disabled, seized, wrecked, and abandoned vehicles. Members of the Highway Patrol shall assure the impartial use of wrecker services. Wrecker service includes any motor vehicle towing service which uses wreckers, rollbacks, cranes, or other such equipment.

History Note: Authority G.S. 20-184; 20-187; 20-188; 143B-10;

Eff. August 1, 1994;

Temporary Repeal Eff. June 9, 2000.

**.0305 ROTATION, ZONE, CONTRACT, AND
DEVIATION FROM SYSTEM**

(a) The Troop Commander shall arrange for the telecommunications center to maintain an impartial system within each district of the Troop which may include the following:

- (1) A computerized rotation wrecker log for the entire district whereby wrecker services are called in the order they appear on a log;
- (2) A zone system within the district with a rotation wrecker log being maintained in each zone;
- (3) A zone or contract system operated in conjunction with one or more local agencies;
- (4) A rotation wrecker log, zone, or contract system for wreckers based upon size and capacity of the equipment or availability of repair services; or
- (5) A combination of any such system.

(b) It is the policy of the Highway Patrol to use the wrecker service requested by the vehicle owner or person in apparent control of the motor vehicle to be towed. Patrol members shall not attempt to influence the person's choice of wrecker services, but may answer questions and provide factual information. If no such request is made, the Patrol system in place in the district will be used, absent an emergency or if the Patrol system is inoperable.

(c) The Troop Commander may deviate from any of these Rules if there are insufficient wrecker services of the type needed within a district to meet the needs of the Patrol.

(d) When exigent circumstances require, a telecommunicator may deviate from the Patrol system or the wrecker service requested by the motorist.

.0306 WRECKER SERVICE REGULATIONS

(a) In order to assure that the needs of the Patrol are met, the Troop Commander shall include on the Patrol wrecker system only those wrecker services which agree to comply with the following requirements:

- (1) Have a safe storage area for all vehicles towed. This storage area may be a locked building or a secured, fenced area where the stored vehicles and other property are not accessible to the public.
- (2) Equip each wrecker with legally required lighting and other safety equipment to protect the motoring public and maintain such equipment in good working order.
- (3) Equip each wrecker with brooms, shovels, etc. to remove debris from the highway and agree to clear the highway prior to leaving the scene of any collision.
- (4) Be available to the Patrol and the general public on a 24-hour basis and be willing to accept collect calls from the Patrol.
- (5) Consistently respond, under normal conditions, in a timely manner.
- (6) For Patrol involved incidents, respond only upon request from proper Patrol authority and not use scanners or other police radio monitoring equipment to respond to a disabled vehicle or wrecker.
- (7) Impose reasonable charges for work performed and present one bill to owner or operator of towed vehicle. Wrecker services may secure assistance from another

wrecker when necessary, but only one bill is to be presented to the owner or operator of the vehicle for the work performed.

- (8) Allow only wrecker operators who have valid drivers licenses for the type of vehicle driven and require each operator to conduct himself or herself in a proper manner at all collision scenes and when dealing with the public.
- (9) Adhere to all statutes regarding solicitation of business from the highway.
- (10) Employ only wrecker operators who demonstrate an ability to perform required services in a safe, timely, and efficient manner.
- (11) Adhere to all applicable laws relating to wrecker services, including licensing, taxes, and insurance.
- (12) Notify the Patrol without delay whenever the wrecker service is unable to respond to a call.
- (13) Mark each wrecker service vehicle with the name and telephone number of the business.
- (14) Secure all personal property at the scene of a collision to the extent possible, and preserve personal property in a vehicle which is about to be towed. A wrecker service is not to be held responsible for personal items which do not come into the possession of the service.
- (15) Make all complaints to the Patrol regarding any incident involving the Patrol within 30 days of the alleged incident.
- (16) The owner shall ensure that the owner, each wrecker driver, or other employee or agent involved in the wrecker service has not been convicted at any time of a felony arising out of the operation or use of a vehicle, or a felony involving force, violence, theft, embezzlement, forgery, fraud, false statement, sexual conduct, or the manufacture, sale, transportation, or possession of a controlled substance or alcoholic beverage, or convicted within the past five years of any other felony or a misdemeanor involving fraud, forgery, embezzlement, theft, force, or violence, controlled substances or sexual misconduct. Within 10 days of the employment of any person or upon the request of a member of the Patrol, the owner of the wrecker service agrees to supply the Patrol with the full name, current address, date of birth, social security number, and drivers license number and state of issuance for the owner, wrecker driver, or other employee or agent involved in the wrecker service.
- (17) Upon request or demand, return personal property stored in or with a vehicle, whether the towing, repair, or storage fee on the vehicle has been or will be paid.
- (18) Tow disabled vehicles to any destination requested by the vehicle owner or other person with apparent authority.
- (19) Agree that being called by the Patrol to tow a vehicle does not create a contract with or obligation on the part of the Patrol personnel to pay any fee or towing charge except when towing a vehicle owned by the Patrol, a vehicle is later forfeited to the Patrol, or when a court determines that the Patrol wrongfully

authorized the tow and orders the release of the vehicle without payment of transportation and storage fees.

- (20) Agree that being placed on the Patrol system does not guarantee a particular number of calls or the same number of calls as any other service, or compensation when not called in accordance with the system or removed from the system.
- (21) Agree that the failure to respond to a call by the Patrol will result in being placed at the bottom of any rotation wrecker log, and consistent failures to respond will result in removal from the system.

(b) The District First Sergeant shall perform a background investigation on each wrecker service desiring to be placed on the Patrol wrecker system and determine if the wrecker service meets the requirements set forth in this Rule. The District First Sergeant shall be responsible for monitoring complaints and for conducting random checks of compliance with all requirements.

(c) The Troop Commander shall provide that a wrecker service will only be included once on each log. In order to be listed on a log within a district or zone, a wrecker service must have a full-time office, manned and open for business at least five days per week, and a secured lot within the district or zone. A wrecker service may not, through contract or agreement to provide wrecker service for service stations, garages, or other business, be listed through another company. Exceptions to this requirement may be made for specialized or large capacity wreckers when none are available in a zone or district.

(d) The Troop Commander may place wrecker services on the Patrol system which do not meet all the requirements contained in this Rule if the Troop Commander determines there are an insufficient number on the system in that area to meet the needs of the Patrol.

(e) If the Troop Commander chooses to use a contract, zone, or other system administered by a local agency, the local agency rules govern the system.

(f) A wrecker service which is denied inclusion on the Patrol wrecker service system may appeal this decision to the appropriate Zone Director at Patrol Headquarters in Raleigh, NC.

(g) A wrecker service denied inclusion on the Patrol wrecker system may reapply at any time that the wrecker service meets the requirements for inclusion. The Troop Commander may order an additional investigation. The wrecker service shall be included on the Patrol system when the wrecker service shows the Troop Commander that it meets all requirements for inclusion.

.0307 REMOVAL OF WRECKER SERVICE

(a) Once a wrecker service is placed on the wrecker service system, the District First Sergeant may remove a wrecker service which does not comply with the rules and policies of the Patrol. Unless public safety or welfare requires other action, at least

seven days prior to removal, a District First Sergeant shall notify a wrecker service in writing of the reason for the removal.

(b) A wrecker service which has received notice of removal from the Patrol wrecker service system by the District First sergeant may appeal to the appropriate Troop Commander or his designee. If the appeal is received at least five days prior to removal, the hearing shall be held prior to removal. Otherwise, the hearings shall be held within 10 days of receipt of the appeal. The Troop Commander may uphold the decision of the First Sergeant or he may order the wrecker firm to be placed back on the rotation system. No wrecker service which is removed is entitled to additional calls, priority listing, or other compensation if placed back on the Patrol system.

(c) A wrecker service removed from the list may reapply at any time it can demonstrate it will comply with all rules. The Troop Commander may order additional investigation. The Troop Commander shall place the wrecker service back on the list when the Troop Commander has been presented evidence by the wrecker service that it now complies and will comply with all rules in the future.

(b) An HP-305 signed by the owner, operator, or legal possessor is documentation that the vehicle was not removed from the possession of such person; therefore, the completion of a vehicle inventory is not required.

(c) The storage and security of the vehicle and its contents become the responsibility of the towing company when the vehicle is towed from the scene and stored at the wrecker service

- (3) Contraband or other evidence of a crime discovered during a vehicle inventory may be seized and used as evidence when an inventory is conducted at the time of storage.

In no event shall any Patrol member recommend any wrecker service to the owner or driver of a wrecked or disabled vehicle nor shall any member recommend the services of a particular wrecker service in the performance of his duties. (a) If the District First Sergeant refuses to include a wrecker service on the rotation wrecker list, the wrecker service may appeal the First Sergeant's decision, in writing, to the Troop Commander within 20 days of receipt of the decision. The Troop Commander may, in his discretion, conduct a hearing or review the record. In either event, he shall render a decision, in writing, within 10 days of receipt of the appeal. Written warnings may not be appealed.

(c) If a District First Sergeant determines that a violation of these rules has occurred, and determines that removal from the rotation wrecker list may be warranted, he shall notify the affected wrecker service, in writing, of this determination and afford the wrecker service an opportunity to be heard. The hearing shall take place within 10 days of actual notice or, if notice is by first class mail, within 13 days of the date the notice is placed in the mail. The hearing shall take place within 10 days of the request for hearing and not less than three days written notice. If a District First Sergeant removes a wrecker service from the rotation wrecker list, the wrecker service may appeal the removal to the Troop Commander (or his designee), in writing, within 20 days of receipt of the notice. The Troop Commander, in his discretion, may conduct a hearing or review the record. If the Troop Commander decides to conduct a hearing, he will give the wrecker service not less than 10 days notice. He shall render a decision, in writing, within 10 days of receipt of the appeal or date of the hearing, whichever occurs last. The Troop Commander's decision, if unfavorable, may be appealed to the Office of Administrative Hearings (OAH) pursuant to the provisions of G.S. 150-B.

(d) Hearings conducted by District First Sergeants and/or Troop Commanders shall be informal and no party shall be represented by legal counsel.

wrecker list and subsequently placed back on the list, for any reason, shall not be entitled to additional calls, priority listing or any other form of compensation.

(f) Ordinarily, a wrecker service shall remain on the rotation wrecker list pending a final decision of the Troop Commander. A District First Sergeant, with the concurrence of the Troop Commander, may, however, summarily remove a wrecker service from the rotation wrecker list in those cases where there

exists reasonable grounds to believe a violation enumerated in 9 NCAC 9H .0321(12), (20), or (31) or any violation relating to the safe and proper operation of the business or which may jeopardize the public health, safety or welfare.

The Social Services Commission is the rulemaking authority, not the Division of Aging. This objection applies to existing language in the rule.

COMMISSION PROCEDURES AND OTHER BUSINESS

Mr. DeLuca reported that \$48,000 had been placed in our budget for attorney fees and \$200,000 had been placed in a special reserve for attorney fees. The Commission approved a motion that staff be allowed to stay at the NASS/ACR conference headquarter's hotel and be reimbursed at the full rate. The rate is reasonable and there would be serious questions about the adequacy, convenience, and especially safety of any nearby locations that could provide accommodations at the state rate.

The next meeting will be on Thursday, July 20, 2000.

The meeting adjourned at 10:55 a.m.

Respectfully submitted,
Sandy Webster

COUNTY OF LEE

MAMIE LEE FRENCH

Petitioner,

v.

N.C. DEPARTMENT OF CRIME CONTROL VICTIM
JUSTICE SERVICES

Respondent.

RECOMMENDED DECISION

This matter came on for hearing on April 24, 2000 in Raleigh, North Carolina before Administrative Law Judge James L. Conner, II.

APPEARANCES

Petitioner:	Mamie Lee French 341 Fields Drive Sanford, North Carolina 27330 Petitioner pro se
Respondent:	Stacey T. Carter Associate Attorney General N.C. Department of Justice P.O. Box 629 Raleigh, North Carolina 27602-0629

Upon careful consideration of the testimony and evidence presented at the hearing, the documents, and the entire record in this proceeding, the undersigned makes the following:

FINDINGS OF FACT

1. Christopher French was murdered on or about November 27, 1998. His mother, Mamie Lee French, is the Petitioner in this matter.
2. Christopher French's murderer was Larry McLeod.
3. At the time of his murder, Christopher French had engaged in a verbal argument with Mr. McLeod. Mr. McLeod is 6 feet, 7 inches tall and weighs 350 pounds. Christopher French was 5 feet, 6 inches tall and weighs 135 pounds. There was no evidence that Mr. French was armed.
4. The evidence presented on behalf of the State in this matter was that the argument was purely verbal, and not physical. Christopher French was apparently shot and killed as the culmination of this verbal argument.
5. The filings in this matter on behalf of Respondent suggest that Christopher French had some involvement in drug activity. However, there was no competent evidence presented at the hearing of this matter to support that insinuation. In fact, there were several items of evidence presented that would tend to indicate that Christopher French was not involved in drug sales or drug running.
6. Mr. French was convicted for a violation of N.C. Gen. Stat. §14-34.1, discharging a firearm into occupied property, on November 5, 1998. The underlying event occurred on December 25, 1997.
7. This conviction was the result of a guilty plea on the part of Christopher French, which was a change from his initial plea of not guilty.

8. According to all of the witnesses who testified at the hearing of this matter, and according to all of the documentation in the District Attorney's file that was obtained by the undersigned pursuant to N.C. Gen. Stat. §15B-12(d), Christopher French did not commit the offense of discharging a firearm into occupied property.

9. All of the evidence does indicate that Christopher French was driving the vehicle from which another person discharged a firearm into occupied property. By operation of N. C. Gen. Stat. §14-5.2, this could have resulted in Christopher French being convicted of the aforementioned offense. However, no evidence was presented at the hearing of this matter that would establish that Christopher French ever expressly or impliedly gave his assent to the commission of the felony. Therefore, his actual guilt of that offense is impossible to establish on the record before the undersigned.

10. There was no connection suggested or established by any evidence at the hearing of this matter that the murder of Christopher French was in any way connected with discharge of a firearm into occupied property that occurred on December 25, 1997.

11. Petitioner, Mamie Lee French, the mother of Christopher French, is not alleged to have had any involvement in the commission of any crime or other improper act.

Based upon the foregoing Findings of Fact, the undersigned makes the following:

CONCLUSIONS OF LAW

1. N. C. Gen. Stat. §15B-11 provides numerous grounds for denial of victims compensation claims or reduction of awards under such claims. Most of the grounds for denial are mandatory, using the phrase "shall be denied."

2. N. C. Gen. Stat. §15B-11(c1) provides that :

a claim *may* be denied upon a finding that the claimant has been convicted of any felony classified as a Class A, B1, B2, C, D, or E felony ... and that such felony was committed within three years of the time the victim's injury occurred.

[emphasis added]

3. Discharging a firearm into occupied property is a Class E felony. A Class E felony is the lowest level felony for which a denial would justified under Subsection (c1).

4. Although Christopher French was convicted of a Class E felony pursuant to his guilty plea, this is an appropriate case for the Commission to use its discretion not to deny the claim of his mother for funeral expenses, given that the felony of which he was convicted was in the least serious category for which such denial might be justified, Christopher French did not actually commit the felony, there is no clear evidence that he would have been convicted of the felony had his case gone to trial on an aiding and abetting theory, and there was no connection between the purported felony and his murder.

RECOMMENDED DECISION

Based on the foregoing Findings of Fact and Conclusions of Law it is hereby recommended that Petitioner's claim for crime victim's compensation be ALLOWED.

ORDER

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statutes §150B-36(b).

NOTICE

Before the agency makes the FINAL DECISION, it is required by North Carolina General Statutes §150B-36(a) to give each party an opportunity to file exceptions to this RECOMMENDED DECISION, and to present written arguments to those in the agency who will make the final decision.

The agency is required by North Carolina General Statutes §150B-36(a) to serve a copy of the Final Decision on all parties and to furnish a copy to the Parties' attorney of record.

The agency that will make the final decision in this contested case is the North Carolina Department of Crime Control Victim Justice Services.

Petitioner,

v.

**NORTH CAROLINA DEPARTMENT OF HUMAN
RESOURCES, DIVISION OF FACILITY SERVICES,**

Respondent.

RECOMMENDED DECISION

This contested case was heard before the undersigned Administrative Law Judge in the Office of the Administrative Hearings, James K. Polk Building, Charlotte, North Carolina on June 10, 1999.

APPEARANCES

For Petitioner: Ferguson, Stein, Wallas, Adkins, Gresham & Sumter, Attorneys at Law, Charlotte, North Carolina; Henderson Hill appearing

For Respondent: Jane Rankin Thompson, Assistant Attorney General, N. C. Department of Justice, Winston-Salem, North Carolina appearing

ISSUE

Whether charges of neglect against Petitioner were properly substantiated and provide an appropriate basis for the revocation of Petitioner's foster home license.

FINDINGS OF FACT

1. Petitioner was licensed as a foster parent with Lutheran Family Services in Charlotte in November 1997.
2. On December 3, 1997, an 18 month old foster child, Kevona H., was placed in her home. Kevona was in the custody of Mecklenburg County Department of Social Services and her foster care worker was Belinda McLaughlin.
3. The only other resident of the home was petitioner's four year old natural daughter, Ashley.
4. Kevona was well cared for by Ms. Headen and on August 6, 1998, Ms. McLaughlin asked Ms. Headen if she would be interested in adopting Kevona if DSS was successful in terminating the rights of Kevona's mother. Ms. Headen did desire to adopt Kevona.
5. On August 11, 1998, 27 month old Kevona suffered third degree burns over fifty (50%) percent of her body when she fell into scalding bath water.
6. The injuries to Kevona were investigated by the Charlotte-Mecklenburg Police Department, the Mecklenburg County District Attorney's Office, the District Attorney of Catawba County and the Catawba County DSS. More than 250 crime scene photographs were taken. Medical experts at the Burn Center at UNC-Chapel Hill participated in the investigation and treatment of Kevona's injuries. Ms. Headen gave statements to ten to twelve different professionals involved in the medico-legal investigations. The law enforcement and prosecutorial agencies concluded that the injuries resulted from accidental causes and declined to file any criminal charges.
7. By correspondence from the Respondent dated December 1, 1998, the Respondent revoked the Petitioner's license to operate a foster home based upon an investigative finding by the Catawba County Department of Social Services

that Petitioner neglected a foster child in her care Kevona. This investigation was conducted by Mr. James Ernst of the Catawba County DSS.

8. The facts leading up to the accident are not in serious dispute. Ms. Headen had run bath water, taken out braids and undressed Kevona. Before giving Kevona her bath, Ms. Headen went downstairs to check on the burners on the stove and assumed Kevona was following her as she and her own daughter always did. That evening her own daughter was at her first karate class with Ms. Headen's brother. Ms. Headen walked to the top of the stairs and saw that Kevona was next to her at the top of the stairs. Ms. Headen then proceeded down the stairs, through the living room and into the kitchen. She thought that the child was following her. When she reached the stove, she heard Kevona scream and ran upstairs to find Kevona in the bath tub trapped under the bath tub doors that had fallen in on top of her. Ms. Headen grabbed the doors to get them out of the way, took Kevona out of the water and started to apply what she believed to be proper medical attention which was, in fact, proper. Then she immediately called 911.
9. The State presented the testimony of three witnesses: Lisa Jennings, foster care case manager for Lutheran Family Services at the time of the accident; Belinda McLaughlin, foster care worker at Mecklenburg County Department of Social Services; and James H. Ernst, Child Protective Services Investigator for the Catawba County DSS, assigned to conduct the investigation of this incident. The three State's witnesses very consistently described Ms. Headen as a concerned and caring foster parent, who cooperated in every way with the investigations conducted concerning the injuries to the child.
10. Ms. Jennings went to the Headen home in response to Ms. Headen's telephone call on the evening of the accident. She described Ms. Headen as very upset, and very concerned about the injuries to Kevona. After the accident Ms. Headen visited Kevona all the time at the hospital. Prior to the accident Ms. Jennings thought that Ms. Headen was a good adoptive mother for Kevona.
11. Belinda McLaughlin saw no signs of abuse in Ms. Headen's care of Kevona before the accident. Kevona was always well groomed, nicely dressed, and clean. Ms. Headen was not involved in any relationships, habits or life style which impaired her relationship with Kevona. Ms. McLaughlin observed that Kevona and Ms. Headen's biological daughter got along with each other very well.
12. James Ernst testified, and the court finds as a fact, that from the beginning, Ms. Headen was cooperative with the DSS investigator. She was cooperative with the police department. She opened her home, even though she was not there, to the crime scene unit to go in and take pictures. Ms. Headen was also very cooperative with all of the doctors, and the law enforcement and DSS investigation. Mr. Ernst testified that there was never a question of Ms. Headen being anything but a careful and nurturing parent prior to the accident. Similarly, there is no question that Ms. Headen acted responsibly and properly in response to the accident.
13. Mr. Ernst testified, and the court finds as a fact, that the Catawba County DSS substantiated a finding of neglect based solely on the theory of negligent supervision. Mr. Ernst identified four bases supporting the substantiation of neglect:
 1. Ms. Headen ran bath water hotter than normal, therefore the tub would be a risk to the child;
 2. Ms. Headen took the child's clothes off and beads out of her hair, making Kevona more vulnerable to thinking she was getting prepared for a bath and was supposed to be taking a bath;
 3. Ms. Headen went to check on grease, saw Kevona at the top of the stairs, and as she began to go downstairs, she did not check to see if the 27-month old child was with her while she went down the stairs, through the dining room, living room, and into the kitchen; and
 4. Ms. Headen should have had Kevona in her supervision at all times.

14. Angela Headen testified regarding her conduct before, during and after the injuries to Kevona on August 11, 1998. The court took special care in observing the demeanor of Ms. Headen during her testimony. The court found Ms. Headen to be an accurate and honest reporter of events, and fully credits Ms. Headen's account of the accident.
15. Ms. Headen testified that she did not tell Mr. Ernst that she purposely ran the bath water hotter than normal. She did however accompany a police officer to the kitchen sink and turned on the tap water. Steam came out of the faucet and she told the officer "I had never seen the water that hot." The court after paying careful attention to Ms. Headen's demeanor and to the scope and form of the investigation conducted by law enforcement and DSS fully credits Ms. Headen's account of what she told Mr. Ernst.
16. Faye Marshall, the Service Coordinator at Metrolina Aids Project and a coworker of Ms. Headen testified before the court and by way of sworn affidavit. Ms. Marshall testified regarding her high regard for the character of Ms. Headen. The court found Ms. Marshall's testimony compelling, consistent with the testimony of the witnesses presented by the State, and fully credible. Specifically, Ms. Marshall testified, and the court finds as a fact, that Ms. Headen is a very compassionate, loving and nurturing individual. She is sensitive to children. Indeed, Ms. Marshall testified that Ms. Headen oftentimes "provides care for my children while I am out of town, so if there was any doubt that she could provide adequate care, I would not allow her that opportunity to provide that kind of support for my own children as a mother."

Based on the foregoing Findings of Fact, the undersigned makes the following:

CONCLUSIONS OF LAW

1. Pursuant to Chapter 150B of the North Carolina General Statutes, the Office of Administrative Hearings has jurisdiction over the parties and the subject matter.
2. Petitioner provided Kevona with proper care, supervision and discipline and did not commit acts of neglect as defined in N.C.G.S. §7B-101 (15).
3. The Catawba County DSS substantiation of neglect is not supported by the facts nor is it compelled by the law. Allegations of neglect "must be proved by clear and convincing evidence." *In re Hayden*, 384 S.E.2d 558, 96 N.C. App. 77 (N.C. App. 1989). DSS concluded that Ms. Headen should have had Kevona under "supervision at all times," and her failure to do so for the seconds during which this tragic accident occurred, constituted neglect. In this conclusion DSS erred. The determinative issue between the parties is whether Kevona was "neglected". Perfection is not required of parents, not even of foster parents. Neglect has been found when a parent fails to exercise that degree of care consistent with the normative standards imposed upon parents by society and physical or emotional impairment follows, see *In re Thompson*, 64 N.C. App. 95, 306 S.E.2d 792 (1983), or when a parent shows a complete lack of parental concern for a child, see *Clark v. Williamson*, 91 N.C. App. 668, 373 S.E.2d 317 (1988).
4. The determination "that a child is not receiving proper care, supervision, or discipline, requires the exercise of judgment by the trial court." *In re Everette*, 514 S.E.2d 523 (N.C. App. 1999). At the hearing, the undersigned administrative law judge examined very closely the demeanor of the petitioner and that of the witnesses for both the Petitioner and for the Respondent. This judge was impressed by the consistent degree to which all witnesses confirmed that Petitioner maintained a clean, proper, loving and secure home for Kevona. Ms. Headen's quick and responsible reactions to the tragic accident, her extraordinary degree of cooperation with authorities, and her consistent care and support of Kevona during her extended medical treatment, provide further support for the conclusion that Petitioner was not negligent in her care and supervision of Kevona. The undersigned judge concludes that Petitioner's care and supervision of Kevona before, during and after the tragic accident on August 11, 1998, was consistent with the normative standards imposed upon parents by society. The tragic consequences of Kevona being out of Petitioner's sight for less than thirty seconds did not constitute neglect.

RECOMMENDED DECISION

The North Carolina Department of Human Resources will make the Final Decision in this contested case. It is recommended that the agency adopt the Findings of Fact and Conclusions of Law set forth above and reinstate the Petitioner's license to operate a foster home.

ORDER

It is hereby ordered that the agency serve a copy of the Final Decision on the Office of Administrative Hearings, Post Office Drawer 7447, Raleigh, North Carolina 27611-7447, in accordance with North Carolina General Statutes Section §150B-36(b).

NOTICE

Before the North Carolina Department of Human Resources makes the FINAL DECISION, it is required by North Carolina General Statutes Section §150B-36(a) to give each party an opportunity to file exceptions to this RECOMMENDED DECISION, and to present written arguments to those in the agency who will make the final decision.

The agency is required by North Carolina General Statutes Section §150G-36(b) to serve a copy of the FINAL DECISION on all parties and to furnish a copy to the parties' attorney of record.

Administrative Law Judge

STATE OF NORTH CAROLINA

IN THE OFFICE OF
ADMINISTRATIVE HEARINGS
99 EDC 0788

COUNTY OF WAKE

CHARLIE LEE RICHARDSON
Petitioner,

v.

DEPARTMENT OF PUBLIC INSTRUCTION,
Respondent.

RECOMMENDED DECISION

This matter came on for hearing before the undersigned administrative law judge on November 5, 1999. The parties were given until March 31, 2000 to resolve the matter and then to file a proposed recommended decision and exceptions. M. Travis Payne represented the petitioner and Laura E. Crumpler represented the respondent. The petitioner presented two witnesses and introduced Exhibits # 1 - 5, 7 - 9, and 11 - 13. The respondent presented one witness and introduced Exhibits 1 - 7.

FINDINGS OF FACT

1. Charlie Lee Richardson, the petitioner, is a teacher of twenty-two years and the holder of teaching license No. 251-92-7667, issued by the State Board of Education. In 1994, Mr. Richardson brought suit in the United States District Court for the Western District of North Carolina against his employer, the Cabarrus County Board of Education, claiming that the school board had unlawfully denied him promotion because of his race. He further asserted that he subsequently was given low evaluations and was not promoted because he had filed a discrimination charge with the E.E.O.C.

2. The case was tried before a federal magistrate who dismissed all but one of Mr. Richardson's claims. The jury hung on the remaining claim and the judge declared a mistrial and scheduled a retrial.

3. Before the retrial of the matter, the attorneys reached an apparent settlement of the case. During that time, Jessie Blackwelder, assistant superintendent for the Cabarrus County Schools and a central witness for the defendant, received an anonymous letter by mail that indicated that she had lied and that it was time to get her back unless Mr. Richardson was immediately promoted. The letter also promised her "jail, fines, and sudden retirement" if she did not cooperate.

4. Four months later on April 8, 1997, Ms. Blackwelder received a second anonymous letter that referred to the settlement agreement as a "cheap ass deal" that Mr. Richardson was too smart to sign. The letter was angrier and more threatening than the first one and referred to Ms. Blackwelder as a "dike, lesbian, or pussy sucker."

Two days later, Ms. Blackwelder intercepted a third letter that was addressed to her husband and that said she would "learn not to fuck with" the writer.

5. The school board was granted an evidentiary hearing to determine if Mr. Richardson was engaging in witness tampering or intimidation. Two hearings were conducted in which the magistrate determined that the first letter was typed on the same typewriter as was used by Mr. Richardson to type three documents in his personnel file.

6. The Board filed a motion to dismiss with prejudice and to release it from the settlement agreement. Mr. Richardson filed a motion to enforce the settlement agreement. The court granted the Board's Motion and found that Mr. Richardson was in fact the author of the anonymous letters. The District Court and the Fourth Circuit Court of Appeals found that these letters threatened Ms. Blackwelder and that Mr. Richardson at least attempted to intimidate her. The District Court stated that Mr. Richardson's actions probably violated federal laws dealing with perjury and intimidating witnesses.

7. The State Board of Education has adopted a rule, codified at 16NCAC 6C.0312, that governs the suspension or revocation of licenses. That rule provides, in part, that the Board may revoke a license for any illegal, unethical or lascivious conduct by a person if there is a reasonable and adverse relationship between the underlying conduct and the continuing ability of the person to perform any of his/her professional functions in an effective manner.

8. Respondent moved for summary judgment on the grounds that the petitioner was collaterally stopped from attacking the underlying conduct since the federal magistrate found as a fact that he was the author of the letters. Petitioner concurred in this

argument and challenged only whether there was an adequate adverse relationship between the conduct and his continuing ability to perform his duties.

CONCLUSIONS OF LAW

Petitioner has engaged in conduct that was unethical. Petitioner's conduct in sending these threatening and obscene letters to his supervisor has a reasonable and adverse relationship to his continuing ability to perform any of his professional functions in an effective manner.

RECOMMENDED DECISION

It is recommended that the petitioner's teaching license be revoked.

NOTICE

The agency making the final decision in this contested case is required to give each party an opportunity to file exceptions to this recommended decision and to present written arguments to those in the agency who will make the final decision. The agency is required to serve a copy of the final decision on all parties and to furnish a copy to the parties' attorney of record and to the Office of Administrative Hearings. The agency that will make the final decision in this matter is the North Carolina State Board of Education.

ADMINISTRATIVE HEARINGS

COUNTY OF WILSON

LARRY WELLMAN,
Petitioner,

v.

DEPARTMENT OF HEALTH AND HUMAN SERVICES,
Respondent.

RECOMMENDED DECISION

This matter came on for hearing before the undersigned administrative law judge on December 20, 1999, January 6, 2000, January 7, 2000, and April 4, 2000 in Wilson and Nashville. Petitioner was represented by M. Travis Payne and Elizabeth P. McLaughlin. Respondent was represented by Bruce S. Ambrose. The parties submitted a Pre-Trial Agreement. The parties presented closing arguments in Raleigh on April 11, 2000. The petitioner filed a proposed recommended decision on May 3, 2000.

CASE HISTORY

Petitioner introduced Exhibits # 1 - 14, 17 - 19, 21, 23 - 29, and 32 - 42. Exhibits # 20, 22 and 48 were accepted as Offers of Proof. The petitioner withdrew Exhibit # 49 as an Offer of Proof. The petitioner also filed an Offer of Proof Memorandum on April 7, 2000. The petitioner presented sixteen witnesses, including the petitioner himself.

Respondent introduced Exhibits # A - Z and aa, bb, cc, dd, ff and gg. Exhibit (ee) was accepted as an Offer of Proof. The respondent presented ten witnesses.

The issues presented in this contested case are whether the petitioner was discharged without just cause and due to race discrimination and retaliation.

FINDINGS OF FACT

1. The petitioner, Larry Wellman, is an African-American who was wrongfully dismissed from his position as a dorm teacher at the Eastern North Carolina School for the Deaf. The petitioner was falsely accused of and later discharged for sleeping on the job in the early evening of December 8, 1998. The petitioner had assisted the students who are deaf or hearing-impaired for more than thirteen years. The School, which serves students from preschool to twenty-one years of age, is a residential school. 60% of the students arrive on campus on Sunday evening and return home on Friday afternoon.

2. African-American students account for more than 60% of the student body. African-American employees comprise about 17% of the 250 employees. These employees are concentrated in the lowest paying positions. There are no African-American supervisory employees and only about 7% of the teaching staff is African-American. In contrast, African-American employees comprised about 42% of the houseparents, 40% of the night attendants and 67% of the dorm teachers. Annual salaries for these positions are less than \$20,000.

3. The School has a policy that staff supervising students, especially residential staff responsible for the students staying in the dorms, shall not sleep on the job. Sleeping employees will be dismissed. Numerous current and former employees of the School explained that an employee had to be caught sleeping by a supervisor before the person would be discharged. A report from a co-worker or a student would not be sufficient. Sarah Coley, a former employee, testified that, when she was dorm director, she and other supervisory employees were told in a supervisor's meetings that the policy required an employee to be caught by a supervisor before he or she would be discharged. Superintendent Steven Witchey was present during one or more of these meetings in which supervisors were informed that employees could not be discharged for sleeping on the job unless they were caught by a supervisor.

4. The actual practice was that, in most situations, upon receiving a report that an employee was sleeping, a supervisor would actually observe the employee to confirm that he or she was asleep. If a supervisor was not available immediately, the supervisor would follow up over the next several shifts in an attempt to catch the employee asleep. Indeed, on at least one occasion, the dorm director, Susan Large, arranged to have dormitory alarms disabled so that she could come into the dormitories silently in

the wee hours of the morning to attempt to catch a suspect. Ms. Large made at least three such silent visits before she finally caught the employee asleep. The person was then fired.

5. The policy on discharging sleeping employees was not always followed, especially when the employee was white.

6. At least two white employees, who were confirmed to be asleep, were not fired. Sarah Coley, an African-American, submitted a written report to the dean concerning a white houseparent. Even though a supervisor actually observed the residential employee asleep and put it in writing, the person was not discharged. No disciplinary action of any sort was taken against the person and the written report from Ms. Coley was not in any file concerning the person.

7. School officials, including Ms. Coley, Ms. Large, and Gary Farmer, stated that it was normally necessary to get close to an employee who appeared to be asleep in order to confirm the person's condition. Ms. Large stated that it would not be possible to confirm that someone was asleep by viewing them through a window in a door. Mr. Farmer testified that when he finds an employee who he believes is asleep, he sits down right in front of him or her and remains there very close to the person for five to fifteen minutes to confirm that the person was actually sleeping.

II

8. The day after the petitioner's alleged sleeping, Lee Fields, a student, stopped by Ms. Large's office. In a causal manner, the student said "Guess what I saw last night?" He said he saw Mr. Wellman asleep. Ms. Large reported this information and an investigation was begun. The student stated that Mr. Wellman was asleep at least for one hour during the period from 7:30 p.m. to 9:00 p.m. However, on cross examination, he admitted that at an Employment Security Commission hearing when he was under oath, he stated that he only observed Mr. Wellman asleep for about two minutes.

9. Another student, Eddie Jiminez, told officials of the School that he came into the room briefly shortly before 9:00 p.m. He indicated that he saw the petitioner at his desk with his head resting on his hand. He was in the room very briefly, probably only a few seconds, and certainly less than a minute. The student mentioned the petitioner to another employee who just shrugged.

10. Neither the students nor the employee, who is totally deaf, went up to Mr. Wellman to determine if he were sleeping. The employee first testified that the petitioner was sleeping for thirty minutes but, after being told that a student estimated an hour, he changed his estimate to forty minutes. In truth, the employee did not know whether the petitioner was awake or asleep.

11. At the pre-dismissal conference convened by Superintendent Witchey on December 15, 1998, the petitioner presented a signed statement from a houseparent, Deborah Taybron, confirming that Mr. Wellman had been downstairs in the girls' portion of the dormitory from 8:30 p.m. until about 8:45 p.m. It was Mr. Wellman's custom to go downstairs to the girls' section of the dormitory at about this time every night to make sure that there were no problems.

12. During the pre-dismissal conference, the petitioner focused on the time period immediately before 9:00 p.m. when he got off of work. December 8, 1998, had been an unusually warm day with temperatures outside approaching 80 degrees. The heat was still on inside building, making the upstairs of the dormitory unpleasantly hot. The windows were open most of the day. However, there was a tractor or backhoe making some repairs right outside the dormitory. A very strong odor of exhaust fumes permeated the upstairs of the dormitory. The uncomfortable heat and exhaust fumes gave the petitioner a very strong headache that afternoon and evening.

13. The petitioner left the dorm at about 7:30 p.m. to pick up several residents of his group home from a Christmas party. He returned between 8:00 and 8:15 p.m. The petitioner went to his desk upstairs in the dormitory at about 8:45 p.m. Because of the headache, he sat at his desk for 10 to 15 minutes with his head in his hands. He was not asleep. He described both Mr. Fields and Mr. Jiminez coming into the room, looking around, and snickering or giggling at him. Shortly before 9:00 p.m., he called an employee at a private group home which he runs. He gathered some belongings together and left for the day.

III

14. Racial slurs were used by employees of the School from time to time, including the word "nigger" without significant discipline being taken. In early April, 1999, a white employee in the administration building looked out on a demonstration by a group of mostly African-American employees and referred to the persons as "niggers." Mr. Witchey, saying it was free speech, took no action. In the fall of 1995, a white teacher made a statement from the stage of an assembly of students that was called to address racial tensions. He stated that "since I arrived here from New York, all I have seen is niggers fighting niggers and there's

nothing wrong with separating whites and niggers during meal times." The statement did not help racial tensions. African-Americans found the comment to be offensive. Mr. Witchey took no action. In fact, he had a practice of addressing African-American men as "boy." The petitioner wrote to the Department to complain about the use of the word "nigger."

12. Confederate battle flags hung at the school. A flag was on the wall in the room of a middle school teacher for more than a year although it was not being utilized the entire time for educational process. In addition, flags having representations of the Confederate battle flag have been up on the wall of the gymnasium for more than 10 years. African-American employees testified that they were offended by such symbols. The Confederate battle flag has one meaning as a part of the our history of the War Between the States. However, in the Twentieth Century, it has been transformed into a symbol of racism by those who discriminate against African-Americans by denying them equal opportunities in education, housing and employment.

13. African-American employees of the school were more likely to be subjected to disciplinethan white employees. The petitioner was written up for failing to take Tylenol II for a student on a field. White employees, most particularly coaches of the athletic teams, had on numerous occasions failed to take medication for students that they took on trips away from the school, including on one occasion failing to take seizure medicine that a student was required to take. The white employees never received any discipline. The petitioner was also written up for going off campus to get food from a nearby fast food restaurant for himself and other employees. However, white employees, both before and after the petitioner was written up, regularly went off campus for the same purpose. African-American employees were written up for things such as changing a bus route, whereas white employees were not disciplined in similar situations.

IV

14. In the period from 1994 through 1998, Mr. Wellman assisted African-American employees on at least four different occasions in filing grievances concerning disciplinary write ups they had received. On all four occasions the disciplinary write ups were significantly reduced or actually removed from the employee's file, at least by Step 2 of the grievance procedure. In two of these situations, the employees were actually reinstated after being fired.

15. On at least three occasions, the petitioner appealed written warnings that he had received. Those warnings were significantly reduced or instructions were given to remove the warnings from the personnel files. The petitioner also earned the title "Black Folk Lawyer" because of his assistance to African-American employees in grievances proceedings. The petitioner raised issues of discrimination and unfair treatment of African-American employees on several occasions with Mr. Witchey. He also addressed his concern that white employees were treated more favorably with respect to promotions and new, year-round jobs that came available.

16. In February of 1998, an African-American houseparent was alleged to have engaged in improper sexual activities with a thirteen year-old male student. The houseparent stated that he had came upon the student as the student was walking from the dorm to the cafeteria. He walked into the cafeteria with the student. The houseparent stated that he had not spent any time with the student on this occasion. Another houseparent, in charge of the student on that occasion, informed the School on multiple occasions that the child was out of her sight for less than one minute.

17. However, the student began telling a story about his activities with the houseparent when he was caught that evening by the houseparents and Ms. Large coming back from the infirmary through the girls portion of the dorm. On this occasion, Ms. Large took the student into her office, asked the houseparents to leave, and questioned the student alone for ten to fifteen minutes. It was only following this questioning that the boy began talking about the first houseparent. The student ultimately told a very elaborate story that would have taken far more than one minute of time if he and the houseparent had engaged in the activities alleged by the student.

18. Nevertheless, the houseparent was discharged. The petitioner took up the houseparent's cause. He encouraged him to appeal, arranged for witnesses to testify and obtained an attorney. He began a "white ribbon campaign" which encouraged employees at the School to ware a piece of white ribbon in support of the houseparent. The employees who wore the ribbons were predominately African-Americans. Some white supervisors instructed their African-America employees that they were not allowed to wear the white ribbons. The petitioner was successful and the houseparent was reinstated.

19. The petitioner and the houseparent spoke to a local reporter. On June 29, 1998, an article appeared in the local newspaper stating:

Larry Wellman, a dorm teacher at McAdams Residence Hall, wonders how much of the confession was encouraged. Ms. Large first said that she talked alone with the student for 20 seconds but witnesses said it was 15 minutes, Wellman said.

"We will keep her (Ms. Large's) feet to the fire," Wellman said. Her "white lie" almost destroyed a man's life, he said.

Wellman and Brown, ... now are asking ENCSD to investigate Ms. Large. They also seek an Office of Minority Affairs.

20. In July, 1998, the petitioner arranged a meeting with George McCoy, the Interim Director for the Division of Services for the Deaf And Hard of Hearing. Approximately ten employees from the School attended that meeting wherein they raised the issue of racial discrimination at the School. They also requested the formation of an Office of Minority Affairs at the School to monitor the treatment that employees received. Although Mr. McCoy indicated that he would not reveal the identity of the employees, the School officials knew their identity by the time the employee returned to the school.

21. Ms. Large wrote Mr. McCoy on July 6, 1998, and expressed her substantial irritation and displeasure towards the petitioner and his statements in the newspaper. She referred to the petitioner: "Individuals who thrive on hate always need a source of power to fulfill their need to control." She accused the petitioner of "... feed[ing] the issue with unsubstantiated fuel." Mr. Withey received a copy of the letter, but like Mr. McCoy, took no action.

22. Ms. Large had much animosity towards the petitioner. While being cross-examined during the hearing, she referred to the petitioner as "Larry" but when pressed concerning her relationship and feelings towards the petitioner she switched to "Mr. Wellman." Her hostility could be cut with a knife. After a recess, Ms. Large regained her composure and returned to addressing the petitioner as "Larry."

23. Ms. Large had previously stated: "I think Larry [Wellman] ONCE again should be written up." (Emphasis in the original.) She went on to state: "I will not tolerate this behavior any longer and I will not baby him or look the other way as has been done for so many years out of fear for what he might do or whatever connections he might have that I am always reminded of." Wendi Batts, the personnel director, received Ms. Large's e-mail that "we want to make sure that it will stick this time" Although Mr. Withey received copies of these e-mails, he took no action.

V

24. Beginning in 1996 and continuing through 1998, the petitioner was primarily responsible for organizing numerous cultural events during Black History Month. Among the activities that he initiated were an exhibit of African-American inventors, including samples of their inventions such as the traffic light, refrigerator, air conditioner, gasoline powered mower, etc. He also organized a presentation and tasting of traditional African-American dishes with an explanation describing each dish. He also encouraged teachers to make black history displays and helped them with these activities.

25. Mr. Wellman also wrote, produced and directed three plays which were performed at the School during black history month. They were also performed on occasion at places away from the School. These plays had civil rights and historic African-American themes, including "A March Toward Freedom," "The Impossible Dream", and "The Promised Land". Both African-American and white student participated in the plays.

CONCLUSIONS OF LAW

1. Respondent did not have just cause to discharge the petitioner. The respondent failed to follow standard procedures in establishing whether the petitioner was asleep. Instead, the respondent relied the statements of two students who neither appreciated the seriousness of their allegations nor understood the necessity of approaching the person to determine if the person is asleep. The employee also did not approach the petitioner.

2. The petitioner's discharge was the result of intentional racial discrimination. There was a pattern and practice of discrimination towards African-American employees, including the petitioner. The Superintendent tolerated and condoned the use of racially derogatory words and symbols. Acquiescence is the face of racism is racism. He never intervened as Ms. Large waged her campaign against the petitioner.

3. The petitioner's discharge was also the result of retaliation against him for assisting other African-Americans at the school. After the petitioner's discharge, the Superintendent's concern was whether the charges would stick this time.

RECOMMENDED DECISION

It is recommended that (1) the petitioner be reinstated to the position he held as of December 15, 1998, (2) the petitioner be compensated with full back pay and fringe benefits, including any and all salary increases that he was likely to have received, for the period from December 16, 1998, through the date of his reinstatement, (3) the petitioner be provided with full seniority as a state employee as if he were never discharged on December 16, 1998, and had been continuously employed through the date of his reinstatement, and (4) the petitioner be paid reasonable attorneys' fees.

RECOMMENDED DECISION

On December 13, 1999, Administrative Law Judge Melissa Owens Lassiter heard this contested case in Winston-Salem, NC. After receiving all the evidence at hearing, the undersigned dismissed Petitioner's claims of discrimination based upon age, race, and handicapping condition as Petitioner failed to present any evidence proving these allegations.

At hearing, Respondent renewed its Motion to dismiss for Petitioner's failure to state a claim upon which relief could be granted and for Petitioner's failure to exhaust her administrative remedies. The undersigned hereby DENIES Respondent's Motion to Dismiss on the grounds for failure to state a claim. In her July 22, 1999 Petition and attachments thereto, Petitioner sufficiently stated a claim in appealing her "wrongful termination." However, the undersigned GRANTS Respondent's Motion to Dismiss Petitioner's harassment claim as Petitioner failed to raise this claim in her internal administrative appeal and therefore, failed to exhaust her administrative remedies as required by Chapter 126 of the NC General Statutes.

ISSUES

Whether Respondent has just cause to terminate Petitioner's employment for unsatisfactory job performance and unacceptable personal conduct?

BURDEN OF PROOF

In accordance with Peace v. Employment Security Commission, 507 S.E.2d (N.C. 1998), Petitioner has the burden of proving by a preponderance of the evidence that the Respondent did not have just cause to terminate her employment.

FINDINGS OF FACT

A. BACKGROUND FACTS

1. From July 1976 until June 1999, Petitioner was employed by the Forsyth County Family Planning Unit as a Processing Assistant III. Petitioner's office/ work station was located in a facility known as the Reynolds Health Center.
2. In 1998, Respondent consolidated its Family Planning Unit with its other clinics under the Department of Public Health ("DPH").
3. On April 28, 1999, the Department of Public Health moved the Family Planning Unit and its employees from the Reynolds Health Center into the DPH's building.
4. On April 28, 1999, DPH Registration Supervisor Carole Cockerham became Petitioner's direct supervisor, and Patty Frye became the department manager supervising Cockerham. Angel Jesus "A.J." Miyares was the DPH Director of Administrative Services, and Dr. Sherman Kahn was the DPH Director.
5. Prior to the April 28, 1999 move, Respondent conducted training meetings with the Family Planning Staff, including Petitioner, regarding patient registration in the other clinics. Respondent advised the Family Planning staff that all DPH staff would be cross-trained in registering patients for all clinics, other than their own clinic. Petitioner and the Family Planning Staff would be trained by the other clinics' experienced staff, and via training manuals. The training would be done on the job at the DPH building, and could last up to 3 months.
6. Similarly, the Family Planning Staff would train the other clinics' staff who were less experienced in registering patients for family planning.
7. It was common knowledge among Respondent's employees that the orientation area was known as the "training area." Ms. Cockerham and other staff constantly referred to the orientation area as the "training area".
8. From approximately April – June 1999, Petitioner weighed approximately 275 pounds.

B. FACTS RELATING TO PETITIONER'S DISMISSAL

9. At the DPH building, Petitioner was first assigned to sit in a cubicle near the front or entrance of the department with the other Family Planning Staff. This cubicle was comfortable and spacious enough to accommodate Petitioner given her weight and blood clot condition.
10. On May 6, 1999, Frye told Petitioner to move to the orientation area for training. Petitioner advised Frye that she did not want to move, because she was more comfortable in her original cubicle. Petitioner stated that sitting in the smaller cubicle in the orientation area aggravated her blood clot condition. Frye explained to Petitioner needed to report to the orientation area to receive registration training for the other clinics. When Petitioner insisted on returning to her original cubicle, Frye asked Petitioner "I hope you are not refusing to follow my instructions?" Petitioner walked away and returned to her original seat. Petitioner did not report to the orientation area.

Later that day, Petitioner asked to meet with Frye. They met and discussed the orientation procedures Frye had already explained to the Family Planning Staff on April 28, 1999. Petitioner claimed that she was being treated "like a child".

After this conversation, Petitioner complied with Frye's instruction and instructed by Frye, and sat in the orientation area's middle cubicle for approximately two weeks. Petitioner felt uncomfortable at this cubicle, because this cubicle was smaller than the first one, and it caused pressure, pain, and swelling in her legs.
11. Frye knew about Petitioner's blood clot condition from the other coworkers. At the Equal Employment Opportunity Commission hearing on these issues, Frye testified that she remembered Petitioner had told her that sitting in the "back area" (orientation area) aggravated her blood clots.
12. On May 21, 1999, Petitioner asked Frye if she could return to her original cubicle. Frye responded no, because Petitioner was still in training, and Petitioner's training would take up to three months. Frye, however, indicated she would discuss Petitioner's progress with Petitioner's supervisor.
13. On the morning of May 24, 1999, Petitioner asked Ms. Cockerham, if she could return to her original cubicle. Petitioner advised that she had blood clots in her legs, and the seating arrangement in the orientation cubicle was uncomfortable. Ms Cockerham granted Petitioner permission to move back to her earlier cubicle/seat.

14. About 12:00 or 1:00 p.m. on May 24, 1999, Ms. Cockerham told Petitioner to return to the orientation cubicle or "training area" three separate times. Petitioner declined and did not move to that area. Upon telling Petitioner again that she had to return to the "training area," Petitioner became argumentative, and verbally challenged Cockerham. Petitioner asked Cockerham, "Why are you harassing me?"

Cockerham advised Petitioner that if she did not go to the "training area", she (Cockerham) would go see A.J. (Miyares), DPH's Administrative Services Director. Petitioner arose from her chair, grabbed Cockerham's elbow, and said, "Let's go to A.J." (Miyares). When Cockerham responded that Miyares was out of the office that week, Petitioner said, "Let's go see Dr. Kahn". Cockerham advised Petitioner that Dr. Kahn was also out of the office that day. Cockerham forcefully pulled her elbow from Petitioner's grasp and stepped back. Cockerham advised Petitioner she would not discuss this with Petitioner until she met with Patti Frye, and Cockerham walked away.

15. During her June 3, 1999, Predissmissal Conference, Petitioner apologized to Cockerham for the touching incident and told Cockerham she didn't intend to harm her.

16. DPH employee Rita Cook witnessed this touching incident between Petitioner and Cockerham. Cook heard loud talking, observed Petitioner grab Cockerham's elbow, heard Petitioner say "let's go see A.J.", and saw Cockerham step back from Petitioner.

However, the remainder of Cook's testimony is inconsistent because she attributed some statements to Petitioner that Petitioner did not speak. Furthermore, Cook was not present and thus, did not testify in any of the internal hearings on this matter. Her testimony at this hearing is the first time she has testified about this incident.

17. Cockerham admitted that she was not physically injured from Petitioner's "touching". Cockerham was frightened by Petitioner actions because she did not know Petitioner, was not accustomed to employees under her supervision touching her, and was a much smaller person than Petitioner. Due to this incident, Cockerham experienced trouble sleeping and was fearful of Petitioner.

18. On May 24, 1999, Cockerham weighed approximately 145 pounds.

19. Cockerham did not file criminal charges against Petitioner based upon this incident.

20. In supervising employees, Cockerham admitted that she does not order her employees to perform tasks. If an employee does not perform her requests, she does not argue with them, but walks away and "does something else."

21. Cockerham admitted at the EEOC hearing on these issues, that the only time Petitioner was insubordinate was when she refused to move to the "training area." However, every time Petitioner refused to move to the "training area", Cockerham considered Petitioner's refusal to be insubordination.

22. On or about May 25, 1999, Linda Darr asked Cockerham to cancel six patients' Family Planning physicals because no one would be able to see those patients that day. Cockerham asked Petitioner to cancel and reschedule these physical examinations. Petitioner challenged Cockerham's request by arguing that they could not cancel these appointments, because a patient may need a refill of birth control pills or a "Depo" (Depovera) shot. Petitioner also stated that these patients could still be registered, receive their birth control, and be rescheduled for another appointment.

23. Cockerham felt Petitioner was argumentative and refusing to follow a supervisory request, so she said she would handle it and walked away. Cockerham consulted with the clinic regarding those patients. The clinic advised her to send the patients needing birth control pills back to the clinic. In addition, two patients were seen or examined that afternoon.

24. There is no evidence that Cockerham had any prior experience with Family Planning registration. The evidence shows that Petitioner was correct regarding the procedure to follow. Nevertheless, by challenging Cockerham and being argumentative, Petitioner refused to follow Cockerham's order to cancel these appointments.

25. Petitioner acknowledged that during May 1999, she did not follow proper procedure when she announced over the intercom system, "Patient 40, to go to STD (Sexually Transmitted Disease) Clinic." The proper procedure was to announce, "Patient 40, go to Station Number 3."

Earlier that day, Petitioner had informed Ms. Cockerham that she was fully trained, and saw no reason to report for any further training.

26. At the beginning of May 1999, Ms. Frye and Ms. Cockerham gave the DPH staff their phone numbers to call them when and if they could not report to work. Ms. Frye also gave the staff her home phone number.

27. On May 31, 1999, Petitioner's daughter delivered a baby. At approximately, 6:30 a.m. on June 1, 1999, Petitioner telephoned Ms. Frye at home, informing Frye that she was unable to attend work because she had to take care of her daughter's other children. Petitioner advised Ms. Frye that she would return to work when her daughter was out of the hospital. Frye asked Petitioner if she had sufficient leave, but Petitioner did not know how much available leave she had, if any. Frye asked Petitioner to call her back later in the day to update Frye on her situation, as they were short staffed and needed Petitioner at work.

28. On June 2, 1999, Petitioner did not come to work. Petitioner did not call Frye again on June 1. On June 2, 1999, Petitioner did not come to work. She also didn't call either Ms. Frye or Ms. Cockerham to advise them she was not reporting to work on June 2, 2000.

29. Petitioner was the only available person to care for her daughter's children on June 1 and 2, 1999.

30. DPH deemed Petitioner's June 1, 1999 phone call to Ms. Frye in compliance with Respondent's Attendance, Absenteeism, and Tardiness Policy.

31. Petitioner believed that her June 1, 1999 telephone conversation with Frye was adequate notice that she would not attend work on June 1 or 2, 1999.

32. Respondent's personnel records indicated that as of June 11, 1999, Petitioner had 5 hours of available sick leave and 21 hours of available vacation leave.

33. According to Respondent's Payroll Accounting Technician I, Karen Branson, advised that Petitioner had accumulated approximately 18 hours of available annual leave as of June 1, 1999. Ms. Branson indicated that since Petitioner had no sick leave on June 2, 1999, Respondent's personnel department deducted the remainder of Petitioner's June 1st and the June 2nd leave time from Petitioner's annual leave. Since Petitioner was no longer a DPH employee as of June 3, 1999. Respondent later paid Petitioner for the remainder of her vacation leave.

34. On the afternoon of June 2, 1999, A.J. Miyares telephoned and advised Petitioner that she was suspended without pay because she failed to inform her supervisor that she would not attend work June 1 and 2, 1999. Miyares called Petitioner again later that day, and advised that she was suspended with pay.

35. On June 3, 1999, Petitioner attended a predissmissal conference with Miyares, Frye, and Cockerham. Both Frye and Cockerham had submitted written recommendations to Miyares that Petitioner be dismissed for the above alleged incidents.

36. By letter dated June 7, 1999, Miyares dismissed Petitioner for unacceptable personal conduct and insubordination occurring on May 24 and 25, 1999 - "as well as other incidents" they discussed at the June 3, 1999 predissmissal conference. (See June 7, 1999 letter.)

37. On June 21, 1999, Petitioner appealed her dismissal to Sherman Kahn, Respondent's Public Health Director. Kahn conducted an internal hearing on July 3, 1999. By a Final Agency Decision dated July 9, 1999, Kahn upheld Miyares's recommendation for Petitioner's dismissal, and terminated Petitioner from employment for unacceptable personal conduct and insubordination. Kahn's specific reasons for dismissal were: Petitioner's failing to obey a supervisor's orders, inappropriately touching a supervisor, violating the employer's leave policy and absenteeism policy, and disrupting the department's staff and its efficient operation.

38. On July 22, 1999, Petitioner filed a petition and attachments for a contested case with the Office of Administrative Hearings. She alleged:

- (1) her discharge was without just cause
- (2) her discharge was based upon Respondent's discrimination against Petitioner's age, sex, and handicapped condition

- (3) Petitioner also wrote, "I was harassed to sit in a chair less than 20 feet away, even though it had no bearing on my performance."

39. Respondent had given Petitioner a copy of the Forsyth County Employee Handbook ("Handbook"). Petitioner admitted that she knew and understood the policies on personal conduct, attendance, leaves of absence, and the grievance procedure for adverse employment actions/decisions.

40. Petitioner acknowledged that when she began work at the DPH building, she received manuals/notebooks that Ms. Cockerham had prepared, which explained the proper registration procedures for all the clinics, except for family planning. Petitioner indicated that "all you have to do is follow the packet" to register patients for the other types of clinics.

41. Petitioner admits telling Cockerham that where she had to sit had nothing to do with learning because she had received the manuals, and all she had to do was follow the books.

42. Petitioner requested and Respondent allowed, Petitioner to use a specific chair wherever she sat in the office. However, there is no evidence that Petitioner requested any accommodation at work because of a blood clot condition.

44. While there is some evidence that Cockerham and Frye may have known something about Petitioner's blood clot condition, there is insubstantial evidence that Cockerham and Frye knew specifically why Petitioner was uncomfortable sitting in the "training area".

45. Cockerham and Frye's directive that Petitioner sit and receive the required training in the orientation or "training area" was a reasonable directive. All DPH staff were required to be cross-trained in this same manner, and all such staff had been advised of this requirement numerous times.

46. It is reasonable for a supervisor to conclude that her employee is disobeying or refusing to follow her directives, when the employee argues and challenges every directive the supervisor gives the employee.

CONCLUSIONS OF LAW

1. Pursuant to the State Personnel Act, Petitioner was a career state employee at the time of her dismissal. Because Petitioner has alleged that Respondent lacked just cause for her dismissal, the undersigned has personal and subject matter jurisdiction to hear this contested case.

2. N. C. Gen. Stat. § 126-35(a) states in pertinent part, "no career State employee subject to the State Personnel Act.....shall be discharged, suspended, or demoted for disciplinary reasons, except for just cause.

3. 25 NCAC 1 J .0604(h) provides that the two bases for disciplinary action or dismissal of employees for just cause are unacceptable personal conduct and unsatisfactory job performance.

4. Pursuant to the State Personnel Manual (SPM), Sect. 7, p3, "unacceptable personal conduct" is an act that is:

- (1) conduct for which no reasonable person should expect to receive a prior warning; or
- (2) job-related conduct which constitutes a violation of State or federal law; or
- (3) conviction of a felony or an offense involving moral turpitude that is detrimental to or impacts the employee's service to the State; or
- (4) the willful violation of known or written work rules; or
- (5) conduct unbecoming a state employee that is detrimental to State service; or
- (6) the abuse of client(s), patient(s), student(s) or person(s) over whom the employee has charge or to whom the employee has a responsibility or of an animal owned by the State; or
- (7) absence from work after all authorized leave credits and benefits have been exhausted; or
- (8) falsification of a State application or in other employment documentation.

5. An employee may be dismissed for a current incident of unacceptable personal conduct without any prior disciplinary actions. 25 NCAC 1J .0608(a).

6. The Forsyth County Employee Handbook – General Conduct Section (March 1999) provides:

As a County Employee, you are expected to conduct yourself in accordance with the following guidelines:

- To know and observe all established County policies and procedures
- To perform the job assigned to you as instructed by your supervisor
- To be prompt in reporting to work . . .

The following actions are not permitted. Any employee discovered committing any of the following offenses while on duty is subject to dismissal. . . .

- Disrespect or refusing to carry out the instructions of a supervisor or other authorized person.
- . . .
- Fighting or provoking a fight on County property, using abusive, obscene, profane, or threatening language or engaging in immoral conduct while on duty.

7. Forsyth County's Attendance, Absenteeism, Tardiness policy states, in part:

. . . Your unscheduled absence or tardiness places a burden on co-workers and hinders effective County operations. In situations where you must be tardy or absent, you must notify your immediate supervisor within the 30-minute period following your normal reporting time.

8. Forsyth County's Paid Sick Leave policy, states, in part, "If you must be absent, unexpectedly due to a personal or a family illness or injury, you need to notify your supervisor within thirty (30) minutes of your normal reporting time".

9. Refusal to accept a reasonable and proper assignment from an authorized supervisor constitutes insubordination, when the refusal is willful. Employment Security Commission v. Lachman, 305 N.C. 492, 290 S.E.2d 616 (1982)

10. During May 24-25, 1999, Petitioner willfully violated Respondent's General Conduct work rules by:

- (1) willfully refusing to follow her supervisor's numerous reasonable directives to sit in the assigned orientation area for training.
- (2) willfully and explicitly refusing to receive further training.
- (3) willfully refusing to follow her supervisor's reasonable order to cancel and reschedule several patients' physical examinations.

11. On May 24, 1999, Petitioner touched her supervisor Ms. Cockerham, in an inappropriate and unauthorized manner, to wit: grabbing Ms. Cockerham's elbow and talking to her in a threatening tone.

12. Petitioner's willful actions and conduct on May 24-25, 1999 and during May 1999, violated Respondent's written work rules, constituted insubordination, and was unacceptable personal conduct as defined by the State Personnel Act.

13. Petitioner did not violate Respondent's leave of absence, sick leave, or absenteeism policies when she was absent on June 2, 1999. On June 1, 1999, Petitioner called Ms. Frye and informed Frye that she would not return to work until her daughter came home from the hospital. Petitioner's statement sufficiently complied with Respondent's notice requirements in its sick leave, leave of absence, and attendance policies.

In addition, Petitioner had sufficient annual leave to cover both her June 1 and 2, 1999 absences. In the end, Respondent personnel department deducted Petitioner's June 1st and June 2nd leave from Petitioner's annual leave. Lastly, even if one concluded Petitioner's June 2nd absence was unauthorized, one absence does not amount to "excessive" absences justifying disciplinary action.

14. Petitioner failed to prove by a preponderance of the evidence that her discharge was without just cause.

15. A preponderance of the evidence proves that Respondent had just cause to terminate Petitioner from employment for unacceptable personal conduct and insubordination.

RECOMMENDED DECISION

Based upon the foregoing, the undersigned recommends Respondent's decision to dismiss Petitioner from employment, be UPHELD.

ORDER

It is hereby ordered that the agency serve a copy of the final decision on the Office of Administrative Hearings, P.O. Drawer 27447, Raleigh, N.C. 27611-7447, in accordance with North Carolina General Statute 150B-36(b).
